

insurance claim and a cost is know the business plan will be presented and further negotiations will continue. The Council grants staff will be assisting us with further grants over the coming months.

Belinda will be sending an all clubs letter out regarding the West Field. Belinda is also going to have the heater operation checked.

Belinda was concerned with the representative teams failing to attend carnivals and wondered why they were not attending because the chance to develop only comes with games, competition experience in closing it was agreed to look at it closer next year.

Jo had some concerns with the opens women's team and suggested next year that if teams are nominated and players selected in teams they should stay there. At short notice players were taken from the div 3 team to fill the Capital League team because of players pulling out at short notice, GHA needs to look at some rules and penalties for players and teams pulling out after be nominated. Jo suggested trials to balance out the teams.

Leah Wichman enquired on the competition ladder if it was correct and up to date, Jo informed her it wasn't but was keeping a separate ladder and player stats.

Jackie McNamara enquired on the executive decisions regarding Sari Picker and the two under 13 players wanting to play in the 18s competition, Jackie made a valid point that we should inform all clubs not just the clubs requesting assistance.

Alison Skelly enquired on the draw for the upcoming Moorebank carnival, Kayleen informed Alison it would be available on Tuesday the 28th of June and she would forward it to her.

Darrell advised the timers were playing during some games and they were using the one from West Field, Darrell is going to is going to clean up the tablets and see how they go.

Meeting closed 8:45pm
